Verse 1:

C                D7
Oh I like ukuleles, they always make you smile
G7                  C      C#dim7    Dm    G7
Whatever trouble comes your way, it'll be O.K in a little while.
C                D7
Just pluck a little tune now, it's easy if you try
G7                  Adim7
Just a couple of chords and a flick of the wrist (slide to 5th fret)
G7                C
And you start to wonder why..

Bridge:

F                C
You've never tried this before, it'll open a door
D7              G7/    D7/  G7/
To something you that thought you couldn't do
F                C      F      C
And take it from me, that little jumping flea
D7              G7/    D7/  G7/
Will cheer you up and chase away your blues

Chorus:

C                B7    C
So give me a uke, I want a ukule-le,
A7        Dm    A7    Dm
It speaks to me saying please, please play me.
G7                  C      A7
All through the day, and all on my own
D7              G7/    D7/  G7
I'll be strumming away 'til the cows come home.
Verse 2:

So play your ukulele, don't keep it to yourself
Your moans and groans will fade away.
They should stick 'em on the National Health!
I love my ukulele. It's always been a friend.
I'll hold it tight and keep it close,
right to the very end!

Instrumental:

Chorus:

Oh, give me a uke, I want a ukule-le,
It speaks to me saying please, please play me.
All through the day, and all on my own...
I'll be strumming away 'til the cows come home

Instrumental Outro:
