There are places I'll re-member

All my li-ife though some have changed

Some for-ever not for better

Some have go--one and some remain

Bridge:

Am F
All these places had their moments
B♭ C
With lovers and friends, I still can recall
Am D
Some are dead and some are living
Fm C
In my life, I've loved them all

But of all these friends and lovers
F Fm C
There is no one com-pares with you
And these memories lose their meaning

When I think of love as something new

For people and things, that went before
I know I'll often stop and think a-bout them
In my life, I'll love you more
